About Teton Advisors

Teton Advisors, Inc. (OTC Pink: TETAA) is a multi-strategy, asset manager with \$3.4 billion assets under management, as of December 31, 2017, focused on inefficient markets. The firm's principals are pioneers in micro, small and mid cap equity value investing. In 2017, Teton completed the acquisition of Keeley Asset Management Corp. ("KAMCO"). The combination offers an expanded product suite of twelve mutual funds under the TETON Westwood and KEELEY Funds brands, along with six separate account strategies. This transformational combination of two well-established active asset managers creates a preeminent investment firm that leverages the resources of both organizations. The complementary investment teams at Teton and Keeley significantly increases research coverage across our platform, enhancing value creation for both clients and shareholders.
